SCOTLAND'S FASTEST GROWING SERVICED APARTMENT COMPANY

Dynamism and choice are the two defining features of Scotland's largest, and fastest growing apartment company. Aiming to revolutionise the apartment holiday experience, we provide 'so much more than a hotel room' in ideal locations across the city.

ScottishApartment.com has a breathtaking choice of apartments throughout Edinburgh. They range from historic blocks of apartments on the Castle's doorstep all the way to the largest four star apart-hotel in Scotland overlooking the HMS Britannia.

As the one time home of the philosopher David Hume, our historic Castle Apartments are actually situated on the Royal Mile. They are filled with character and are in the ideal location for Edinburgh 'explorers', the Edinburgh Fringe Festival and Hogmanay celebrations.

Our Harbour Apartments are the ideal location for family holidays and business travellers. The complimentary city centre shuttle service combined with access to the Next Generation Gym, spa, swimming pools and racquet courts, ensure our apartments exceed expectations.

Scottishapartment.com prides itself on its remarkable levels of flexibility and dynamism which enables us to adjust to the ever changing requirements of our customers and lead our market sector:

A great example of this was in March 2007: Royal Bank of Scotland needed accommodation for a group of senior project staff in Edinburgh. ScottishApartment.com sourced, furnished, set up services and delivered a brand new 5* boutique apart-hotel in Charlotte Square from scratch within 3 weeks of an initial enquiry.

We pride ourselves on finding exactly the right solution for you whether you are visiting Edinburgh on business, as a member of a group of friends, with the family or for a break with your partner.

Scottishapartment.com is also committed to positively improving the community it has grown up in. It is the official sponsor of the rapidly rising young stars at Royal High Corstophine Cricket Club; it has ever increasing involvement with charity Challenges World Wide and is the primary funder for Edinburgh's start up Catalyst Charity for young entrepreneurs in the Lothians and abroad.

With its team of well traveled, hard working and down to earth professionals ScottishApartment.com is an ambitious and dynamic company whose continuing aim is to exceed expectations. We strive to provide the highest possible level of choice with the highest quality personal service, offering 'so much more than a hotel room' to returning customers from around the globe.
